

MASTER PURCHASE AGREEMENT

Contract ID: CTR-MAT-2026-081 | Vendor: Solvents Industrial Corp (VEND-SOLVENTS-INC) | Effective: Jan 15, 2026

1. Commercial Scope & Delivery Terms

Clause 2.1 (Incoterms): All deliveries are contracted under **Incoterms 2020: DDP (Delivered Duty Paid)**, Apex Baytown Terminal. Freight, shipping insurance, and fuel volatility are strictly the Seller's obligation. Separate freight or fuel surcharges are contractually barred.

Clause 4.1 (Quantity & Receiving Acceptance): Invoices must strictly bill accepted dock volume per certified scale weight receipts. A quantity delivery variance tolerance of **±5.0%** is allowed against purchase order line targets. Damaged or rejected drums logged at the delivery dock are not payable.

Clause 5.2 (Dynamic Index Pricing Formula): Base prices are indexed to the monthly ICIS Petrochemical Solvent Index (ICIS_RESIN baseline = 800.0). Formula: $\text{Unit Price} = \text{Base Rate} + 0.5 * (\text{Current Index} - 800.0)$.

Clause 6.3 (Packaging & Pallets): Standard palletizing, banding, and shrink-wrap are incorporated into the product unit price. Separate staging or packaging fees are prohibited.

2. Base Product Rate Schedule
